20th Annual
JungleMUX Technical Conference
1st Annual Lentronics Training Track
Austin, TX

New Format

GE is pleased to announce the date and location for the 20th Annual JungleMUX Technical Conference (JTC) and Lentronics training.

Please plan on joining us on Oct. 30th – Nov2nd, 2018 in Austin, Texas.

- JTC will be held October 30 and 31st
- JungleMUX, TN1U, JunglePAX topic specific training sessions will be held Nov. 1 and 2
- Training sessions will be ½ day each, with multiple tracks each day
- JTC and Training session agenda will be available shortly

Who should attend?

- Communication and control engineers and managers
- Network planners
- Security and IT professionals
- Technical field support personnel
- Network operators and managers
- Relay technicians and power utility application engineers

Benefits of attending:

- Learn about new products and features in the Lentronics portfolio
- Earn training certification in JungleMUX, TN1u and JunglePAX
- Exchange ideas and applications experience with JungleMUX, TN1U and JunglePAx global utility users
- Learn about emerging trends that affect critical utility communications
- Meet with GE's R&D, Engineering and Leadership teams to guide development priorities

Cost to attend:

Attendance for the two-day JTC will be at no charge. For the topic specific training tracks, there will be a $150 per person fee to attend each session (or $500 to attend all 4 across both days).

Hotel Reservations:

Our hotel block rate is $275 per night. Reservations can be made for October 29 thru Nov 2 via the following link:

https://book.passkey.com/go/GEJungleMux

For additional days, please call the hotel direct, and mention GEJungleMUX group
Hilton Austin
500 East 4th Street
Austin, TX
(512) 682 2703

October is a very beautiful time to be in Austin, and room reservations will go fast. Please book early.

For any questions about the conference, please contact Tim Phillippe (tim.Phillippe@ge.com).

We look forward to seeing you in Austin!
