Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On October 22nd, 2018, the **discontinuation** of the manufacture and sale of **Software 61, 65, and 66 for P543, P544, P545, and P546** was **announced**.

On 31st October 2019, **Software 61 for P543 was reintroduced** to the portfolio and remains available for purchase. Additionally, the list of **alternative**s was **updated** for P543 Software 65 and 66, and P544, P545 and P546 Software 61, 65, and 66.

On 30th June 2020, the **alternatives** were **revised.**

On 12th January 2022, the **discontinuation** of the manufacture and sale of **Software 61 for P543** was announced.

On 12th December 2022, the **last order date** for **Software 61 for P543 ONLY** was **extended** to 31st December 2023, **subject to availability**, and the **alternatives** were **revised** to include P54 Software AA.

On 18th December 2023, the **last order date** for **Software 61 for P543 ONLY** was **extended** to 10th December 2024, **subject to availability**. * Please note that white livery is only available until 31st December 2023.

On 12th December 2024, the **alternatives** were **revised** from P54 Software AA to P54 Software AB. This notice was revised in accordance with GE Vernova rebranding guidelines.

Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and shipments typically occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via:
