## Background

GE Vernova Grid Solutions is committed to customer care and the support of our products. As part of this commitment, we strive to design high quality products, provide knowledge-based support, and to communicate the availability of new features or products as well as the pending discontinuation of manufacturing for older products or design variants.

On September 20<sup>th</sup>, 2021, GE Grid Solutions announced the discontinuation of the manufacturing and sale of Software 51 and 52 for P741, P742, and P743.

On 27<sup>th</sup> May 2022, the last order date for Software 51 ONLY for P741, P742, and P743 was extended to 31<sup>st</sup> March 2023, subject to availability, and the alternatives were revised for P741, P742, and P743 Software 51 & 52.

On 12<sup>th</sup> December 2022, the last order date for P741 Software 51 ONLY was extended to 31<sup>st</sup> December 2023, subject to availability. In addition, the last order date for P742 and P743 Software 51 ONLY was extended to 31<sup>st</sup> December 2024, subject to availability. \*Please note that white livery is only available until 31<sup>st</sup> December 2023.

On 20<sup>th</sup> June 2024, the last order date for P742 and P743 Software 51 ONLY was extended to 1<sup>st</sup> December 2025, subject to availability. \*Please note that white livery is only available until 31<sup>st</sup> December 2023.

## Last-Time Buy Window

Please plan the purchase of any additional or spare devices that you feel you may need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and products typically ship within three months of the last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

OFFERING	LAST ORDER DATE	ALTERNATIVE
P741 Software 51	31 <sup>st</sup> December 2023	Software 91
P742, P743 Software 51	1 <sup>st</sup> December 2025*	Software 91
P741, P742, P743 Software 52	31 <sup>st</sup> December 2022	Software 91

## Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing Notification. After the published last order date elapses, a repair service follows for products no longer under warranty subject to material availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per product basis.

## For Additional Information

If we can provide assistance with migration to new products, please contact us for help. Advice and assistance are also available via:
