## Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

On **June 30<sup>th</sup>, 2020**, the **discontinuation** of the manufacture and sale of **Hardware Options J, K, N and P for Selected MiCOM Models in rows 1 & 2 of the table below** was announced with a last order date of 31<sup>st</sup> December 2020.

On **15<sup>th</sup> December 2020**, the **last order date for Hardware J, K, N and P for P442 Software 72 and 83, and P444 Software 72 and 83 as shown in row 2 of the table below was extended** to 30<sup>th</sup> April 2021. The discontinuation of the manufacturing and sales of **Hardware Options J, K, N and P for P645** in row 3 of the table below was also announced.

On **10<sup>th</sup> May 2021**, the **discontinuation** of the manufacturing and sales of **Hardware Options J, K, N and P for the additional MiCOM models shown in rows 4 and 5 of the table below was announced.**

On **27<sup>th</sup> May 2022**, the **discontinuation** of the manufacturing and sales of **Hardware Options J, K, N and P for P444 Software 83 and 86, P446, P546, and P841 Software 86, and P645 Software 22 was announced.** (second posting corrected typo in date)

On **12<sup>th</sup> December 2022**, the **retraction of 27<sup>th</sup> May 2022 announcement** of **Hardware Options J, K, N and P for P444 Software 83 and 86, P446, P546 and P841 Software 86, and P645 Software 22 was published** as these offerings were previously announced and obsoleted.

On **12<sup>th</sup> December 2024**, the discontinuation of the manufacturing and sales of **Hardware Options J, K, N and P** was **retracted** for the following models: **P442/4 Software 72 and 83, P44T Software 02, and P543 Software 76, which remain available for sale, subject to availability.** The **alternatives** in the following table **were revised to Contact GE Vernova.** This notice was revised in accordance with GE Vernova rebranding guidelines.

## Last-Time Buy Window

Please plan the purchase of any additional quantities or spares that you need. Orders should be placed prior to the last order date shown. **Orders will be fulfilled based upon availability** and shipments typically

occur within three months of last order date. Requests for delayed shipments must be agreed with our factories prior to order acceptance.

## Support

GE Vernova's warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After the published last order date elapses, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

## For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via:
