Background

GE Vernova Grid Solutions is committed to customer care and the support of our offerings. As part of this commitment, we strive to design high quality offerings, provide knowledge-based support, and to communicate the availability of new features or offerings as well as the pending discontinuation of manufacturing for older offerings or design variants.

GE Vernova Grid Solutions is discontinuing the manufacture or supply of the **DNPIO C Status Wetting Option 1** as shown below:

| OFFERING | STATUS | ALTERNATIVE |
|---|--------------------------|--|
| DNPIO C Status Wetting Option 1 Order codes: DNPIOCxx1xxxxxxx 12V Status Wetting | Order book closed | DNPIO C Status Wetting Options 2, 3 or 4 Order codes: DNPIOCxx2xxxxxxx 24V Status Wetting DNPIOCxx3xxxxxxx 48V Status Wetting DNPIOCxx4xxxxxxx 130V Status Wetting |

Support

GE Vernova’s warranty provision is unaffected by this End-of-Manufacturing/Supply Notification. After order book closed, a repair service follows for items no longer under warranty subject to availability that includes repairing failed components or modules, but not to providing advanced replacements or a new product or module as a replacement or spare.

Customers should contact us if they need further information concerning the level of service that is provided on a per offering basis.

For Additional Information

If we can provide assistance with migration to new offerings, please contact us for help. Advice and assistance are also available via:
