

GE Board of Directors Approves Spin-Off of GE Vernova; GE Vernova and GE Aerospace to Launch April 2, 2024

- Board sets spin-off date for GE Vernova (NYSE: GEV) of April 2, 2024, pre-market
- Shareholders of record on March 19, 2024, will receive one share of GE Vernova for every four shares of GE owned
- Following the planned spin-off of GE Vernova, GE shareholders will continue to hold their GE shares as GE Aerospace shares

BOSTON – February 29, 2024 – General Electric Company (“GE”) (NYSE: GE) today announced that its Board of Directors has approved the previously announced spin-off of GE Vernova.[\[1\]](#) The company is expected to begin trading on the New York Stock Exchange (“NYSE”) on April 2, 2024, under the ticker symbol “GEV”.

GE Chairman and CEO and GE Aerospace CEO H. Lawrence Culp, Jr. said, “Today’s announcement clears the way for the historic launches of GE Vernova and GE Aerospace, completing our transformation into three independent, investment-grade industry leaders. Beginning April 2, both companies will be fully independent, with GE Vernova positioned to lead the energy transition guided by Scott Strazik and his team, and GE Aerospace set up to define flight for today, tomorrow, and the future. We are all excited about the opportunity and the responsibility ahead of us.”

To effect the separation, GE’s Board of Directors approved a distribution to GE shareholders of all shares of GE Vernova’s common stock. Holders of GE common stock will be entitled to receive one share of GE Vernova common stock for every four shares of GE common stock held on March 19, 2024, the record date for the distribution. The distribution is expected to occur before U.S. market open on April 2, 2024. For U.S. federal income tax purposes, the distribution will be conducted in a tax-efficient manner for GE shareholders in the United States. The distribution is subject to certain conditions described in the registration statement on Form 10 filed by GE Vernova.

GE shareholders do not need to take any action to receive shares of GE Vernova common stock to which they are entitled as a GE shareholder. Additionally, shareholders do not need to pay any consideration, or surrender or exchange shares of GE common stock, to participate in the separation.

Following completion of the planned spin-off, GE will operate as GE Aerospace. GE shareholders will continue to hold their shares of GE common stock with the company name GE Aerospace, and GE Aerospace will continue GE's listing on the NYSE under the ticker symbol "GE."[\[2\]](#)

When-Issued Trading to Begin for GE Vernova on the New York Stock Exchange (the "NYSE")

GE anticipates that "when-issued" trading in GE Vernova common stock on the NYSE will begin on or about March 27, 2024, under the symbol "GEV WI," and GE Vernova common stock will begin "regular-way" trading on the NYSE on the distribution date, April 2, 2024, under the symbol "GEV."

Beginning on March 27, 2024 and continuing through April 1, 2024, it is expected that there will be two markets in GE common stock on the NYSE: a "regular-way" market under the symbol "GE," in which GE shares will trade with the right to receive shares of GE Vernova common stock in the distribution, and an "ex distribution market" under the symbol "GE WI" in which GE shares will trade as GE Aerospace without the right to receive shares of GE Vernova common stock in the distribution.

GE shareholders who hold shares of common stock on the record date of March 19, 2024, and decide to sell any of those shares before the distribution date should consult their stockbroker, bank or other nominee to understand whether, the shares of GE common stock will be sold with or without entitlement to GE Vernova common stock distributed pursuant to the distribution.

GE Vernova and GE Aerospace Investor Days Next Week

As previously announced, GE Vernova and GE Aerospace will host investor days on Wednesday, March 6 and Thursday, March 7, 2024 respectively, in New York, NY. Both companies' management teams will present their growth strategies and a showcase of their innovative solutions.

Investors, media, and members of the general public are invited to learn more about the pending spin-off at: <https://www.ge.com/investor-relations/spinoff-resources>. Future updates to the Form 10 will be filed with the SEC and may be viewed at www.sec.gov as filings under GE Vernova. The Form 10 is subject to change and will be made final prior to the effective date. Refer also to <https://www.governova.com/investors> for information and updates about GE Vernova.

Forward-looking Statements

This document contains forward-looking statements – that is, statements related to future events that by their nature address matters that are, to different degrees, uncertain. For details on the uncertainties that may cause our actual future results to be materially different than those expressed in our forward-looking statements, including (1) our success in executing planned and potential transactions, including our plan to pursue a spin-off of GE Vernova, and sales or other dispositions of our remaining equity interest in GE HealthCare, the timing for such transactions, the ability to satisfy any applicable pre-conditions, and the expected proceeds, consideration and benefits to GE; (2) changes in macroeconomic and market conditions and market volatility, including risk of recession, inflation, supply chain constraints or disruptions, interest rates, the value of securities and other financial assets (including our equity interest in GE HealthCare), oil, natural gas and other commodity prices and exchange rates, and the impact of such changes and volatility on our business operations, financial results and financial position and (3) our capital allocation plans, including the timing and amount of dividends, share repurchases, acquisitions, organic investments, and other priorities, see <https://www.ge.com/investor-relations/important-forward-looking-statement-information>, as well as our SEC filings. We do not undertake to update our forward-

looking statements.
