

GE Vernova names Sharon Heck as Treasurer

Cambridge, MA: March 11, 2024 – GE (NYSE: GE) today announced that GE Vernova has finalized the Treasurer position on its finance leadership team.

Sharon Heck will serve as **Treasurer** for GE Vernova, effective April 2, in addition to her current role as Vice President - Head of Tax. As Treasurer, Sharon will lead the team overseeing global treasury and associated risk management strategies and execution, as well as GE Vernova’s capital structure and financial policy, ultimately supporting Chief Financial Officer Ken Parks.

“I’m excited Sharon will expand her responsibilities as Treasurer for GE Vernova, where she has already become a key leader of our strong and experienced Tax team,” said **Ken Parks, CFO of GE Vernova**. *“Given her proven and extensive financial leadership experience at multinational corporations, Sharon will help us lead GE Vernova forward as we continue to both electrify and decarbonize the world.”*

Prior to GE Vernova, Sharon was the Treasurer and Chief Tax Officer at Intel Corporation and VP – Tax at Berkshire Hathaway Inc. Sharon has more than 30 years of financial leadership experience at both multinational corporations and national accounting firms.

Sharon holds a Juris Doctor degree from Creighton University, a Master’s degree in taxation from Georgia State University and a Bachelor’s degree in accounting from Troy University.

About GE Vernova

GE Vernova is a planned, purpose-built global energy company that includes Power, Wind, and Electrification businesses and is supported by its accelerator businesses of Advanced Research, Consulting Services, and Financial Services. Building on over 130 years of experience tackling the world’s challenges, GE Vernova is

uniquely positioned to help lead the energy transition by continuing to electrify the world while simultaneously working to decarbonize it. GE Vernova helps customers power economies and deliver electricity that is vital to health, safety, security, and improved quality of life. GE Vernova is headquartered in Cambridge, Massachusetts, U.S., with more than 80,000 employees across 100+ countries around the world.

GE Vernova's mission is embedded in its name - it retains its legacy, "GE," as an enduring and hard-earned badge of quality and ingenuity. "Ver" / "verde" signal Earth's verdant and lush ecosystems. "Nova," from the Latin "novus," nods to a new, innovative era of lower carbon energy. Supported by the Company Purpose, *The Energy to Change the World*, GE Vernova will help deliver a more affordable, reliable, sustainable energy future with security.
