28 May 2021

Ref: Folio No.: / DPID / Client ID:

Dear Member(s),

Sub.: Unclaimed Dividend and Transfer of Equity Shares of GE Power India Limited to Investor Education and Protection Fund Suspense Account (IEPF) for financial year 2013-14

We draw your kind attention to the dividend warrants stated below issued to you for the Dividend declared by GE Power India Limited ("the **Company**") on 25 July 2014 in respect of the financial year 2013-2014 for shares held by you in the Company.

We find from our records that the said dividend warrant has not been encashed by you. As you may be aware, as per section 124(5) of the Companies Act, 2013 ("the Act"), any money transferred to the Unpaid Dividend Account of the Company pursuant to this section, which remains unpaid or unclaimed for a period of seven years from the date of such transfer shall be transferred by the Company to the Investor Education and Protection Fund ("IEPF") established by the Central Government. The Company has regularly uploaded on its website and also on the website of the Ministry of Corporate Affairs, Government of India, full details of such unpaid or unclaimed dividends before transferring the same to IEPF.

Please note that section 124(6) of the Act requires that all shares in respect of which dividend has remained unpaid or unclaimed for seven consecutive years shall be transferred to IEPF Demat Account.

In view of the above, you are requested to immediately claim your unpaid/ unclaimed dividend(s) by submitting following documents:

- Enclosed Letter of Undertaking duly filled and signed
- Self-attested copy of Pan Card and Address Proof
- Copy of Cancelled Cheque

to the Company's Registrar and Transfer Agents- KFin Technologies Private Limited or to the Company at the address mentioned below on or before **Tuesday, 31 August 2021**. Subsequently, it will be transferred to the IEPF. Thereafter no claim shall lie against the Company in respect of the unclaimed dividend amounts and shares transferred to the IEPF.

Please note that if the unpaid/ unclaimed dividend(s) are not claimed by **Tuesday, 31 August 2021**, the equity shares held by you shall be transferred to IEPF in compliance with the applicable provisions of the Act and the Rules.

Contd...2

As per our records, the following dividends which were paid/remitted to you in the last seven consecutive years are remaining unpaid/unclaimed as on date:

Financial year end	Date of declaration of dividend	Warrant No.	Amount (Rs.)
Final 2013-2014	25/07/2014		
Final 2014-2015	22/07/2015		
Final 2016-2017	31/07/2017		
Final 2017-2018	21/07/2018		
Final 2018-2019	23/07/2019		
Final 2019-2020	10/09/2020		

Number of Equity Shares liable for transfer to IEPF Account:.....

Note –

- 1. No dividend was declared by the Company in Financial year 2015-16**
- 2. Unpaid Dividends upto Financial Year 2012-13 have already been transferred to IEPF.**

In case of any query, please contact the Company/ KFin Technologies Private Limited at:-

Govt to soon clarify on allowing 100% FDI in BPCL privatization

Move aims to remove scope of confusion as FDI is permitted only up to 49% in PSU refiners

Asit Ranjan Mishra
asit.m@livemint.com
NEW DELHI

The ministry of commerce and industry will soon clarify that 100% foreign direct investment (FDI) will be applicable in the privatization of Bharat Petroleum Corp. Ltd (BPCL), as the government is exiting the company. The move aims to remove any possibility of confusion, as FDI is now permitted only up to 49% in public sector petroleum refiners.

"100% FDI is already permissible in private sector refining. As BPCL is getting privatized by the government, the same should apply to it as well. DPIIT (department for promotion of industry and internal trade) will soon clarify this," a government official said on the condition of anonymity.

The current policy permits up to 49% FDI through the automatic route in petroleum refining PSUs, without any disinvestment or dilution of domestic equity in the existing PSUs. However, the policy permits 100% FDI through the automatic route in petroleum refining in the private sector.

"As this is not a policy change and only a clarification, the government can get away with this, though the BPCL privatization process is already on and the deadline for fresh bids is over," an FDI policy expert with a law firm said on the condition of anonymity.

The sale of its entire 52.98% shareholding in BPCL along with the transfer of management control to a strategic buyer. Preliminary information memorandum/expression of interest (PIM/EoI) for strategic disinvestment of BPCL was issued on 7 March 2020. The last date for submission of EoI was extended a few times up to 6 November 2020. The transaction has now moved to the second stage with the receipt of

File photo of a BPCL refinery in Mumbai. The Centre has approved the sale of its entire 52.98% shareholding in BPCL. REUTERS

multiple EoIs. Petroleum minister Dharmendra Pradhan in December last year said the Centre has received three preliminary bids for the acquisition of controlling

controlled oligopoly and benefit consumers, minister of state for finance and corporate affairs Anurag Singh Thakur said in the Lok Sabha in a written reply to a question in March.

as infusion of capital, technological upgrade and efficient management practices and would thus add to the overall economic growth of the country, Thakur said.

STRATEGIC DISINVESTMENT

THE current policy permits 100% FDI via the automatic route in petroleum refining in the private sector

AS BPCL is getting privatized by govt, DPIIT will clarify that the same policy shall apply to it as well

FOR BPCL privatization, three bidders, including Vedanta, have submitted EoIs

THE transaction has now moved to the second stage as deadline for fresh bids is over

stake in BPCL. Vedanta Group and two American funds, Apollo Global and I Squared Capital, have reportedly submitted EoIs.

The decision to privatize the profitable oil marketer is based on the reasoning that the presence of a private sector player would break the state-con-

Strategic disinvestment of PSUs is being guided by the basic economic principle that the government should exit sectors where competitive markets have come of age and the economic potential of such entities may be better discovered in the hands of a strategic investor because of various factors such

as the government's ambitious disinvestment schedule for FY22 may get delayed because of the second wave of the covid-19 pandemic that is ravaging the country, disinvestment secretary Tuhin Kanta Pandey said at the Mint India Investment Summit 2021 last month. Pandey, however, exuded confidence that the ₹1.75 trillion target is still achievable. With revenues expected to shrink for the second consecutive year in FY22, achieving the disinvestment target will be crucial for the finance ministry.

A query sent to the commerce and industry ministry remained unanswered till the time of going to press.

RBI slaps ₹10 crore fine on HDFC Bank post car loan probe

Gopika Gopikumar
gopika.g@livemint.com
MUMBAI

The Reserve Bank of India (RBI) on Friday imposed a ₹10 crore fine on private sector lender HDFC Bank Ltd for selling vehicle-tracking devices to its auto loan customers.

RBI said that the decision was taken after an examination of documents pertaining to allegations of improper lending practices in its vehicle-financing operations.

"After considering the bank's reply to the show-cause notice, oral submissions made during the personal hearing and examination of further clarifications/documents furnished by the bank, RBI came to the conclusion that the aforesaid charge of contravention of provisions of the Act was substantiated and warranted imposition of monetary penalty," it said in a press release on Friday.

On 23 July 2020, Bloomberg reported that RBI had sought details about HDFC Bank's probe into the irregularities in its vehicle finance division. The complaint pertained to the customers of the bank being forced to purchase a vehicle tracking device for about four years ended December 2019, in a possible breach of guidelines that prohibit banks from non-financial businesses. HDFC Bank executives, including the auto loan head Ashok Khanna, had pushed auto loan customers to buy GPS devices costing ₹8,000-19,500 from 2015 to

Last year, RBI had ordered HDFC Bank to freeze new digital banking initiatives and fresh credit card issuances. MINT

December 2019.

Aditya Puri, the then managing director and chief executive officer of HDFC Bank, told shareholders at the annual general meeting that after receiving a whistleblower complaint, the bank conducted an internal investigation into the car loan business and took disciplinary action

against employees who were found to have been involved in "personal misconduct". Following this, two US-based law firms—Rosen Law Firm and Schall Law

Firm—filed class-action suits against the bank on behalf of shareholders. Last year, RBI ordered HDFC Bank to freeze new digital banking initiatives and fresh credit card issuances. The regulator's action was triggered by frequent outages in HDFC Bank's digital services over the last two years. The ban put the bank's digital expansion plans on hold. It had planned several launches under its Digital 2.0 initiative.

The bank had forcibly sold vehicle-tracking devices to its auto loan customers in a breach of guidelines

Delhi, UP set to ease covid curbs as cases fall

Neetu Chandra Sharma
neetu.s@livemint.com
NEW DELHI

Following the fall in covid cases across India, a few states, such as Delhi and Uttar Pradesh, have decided to gradually ease lockdown rules nearly a month after strict restrictions were imposed.

On Friday, Delhi chief minister Arvind Kejriwal said the government will initiate the unlocking process in a phased manner, in view of the fall in covid cases in the national capital. "In the past 24 hours, the infection rate has come down to 1.5% and around 1,100 cases have emerged, infection rate and corona cases are declining day by day. Construction activity and factories will start from Monday because the workers have been the most affected due to the lockdown," he said.

"It should not be the case that the people who are saved from coronavirus are struggling due to hunger. We need to maintain a balance where we have to control coronavirus on the one hand and allow as much economic activity as possible on the other hand."

Kejriwal said the lockdown will end on Monday at 5am. The decision was taken after a meeting with the Delhi Disaster Management Authority. "Both construction activity and factories will be opened from Monday for the next one week. An order will be issued on what precautions are to be followed," the CM added.

Similarly, the partial curfew in Uttar Pradesh is also likely to be relaxed from the first week of June. On Wednesday, Gujarat relaxed night curfews by an hour in 36 cities, but did not announce any major change to lockdown rules.

Write-offs weigh on M&M's net in spite of robust Q4 revenues

Malyaban Ghosh
malyaban.g@livemint.com
NEW DELHI

Mahindra and Mahindra (M&M), one of India's leading vehicle and tractor manufacturers, reported a consolidated net profit of ₹163 crore for the quarter ended March, following its decision to write-off ₹849.5 crore for key long-term investments, especially in foreign subsidiaries. It had reported a loss of ₹3,255 crore in the year-ago quarter.

M&M reported a consolidated net profit of ₹163 crore for the March quarter. REUTERS

The Mumbai-based vehicle manufacturer's profit before exceptional items stood at ₹1,002 crore compared with just ₹323 crore a year earlier, with tractor sales reporting robust growth in the rural market. Commercial and passenger vehicle sales showed gradual improvement despite supply chain bottlenecks.

Operating revenue rose by 48.1% to ₹13,338 crore on the back of 18% increase in passenger and commercial vehicle sales at 106,333 units, and 58% growth in dispatches of tractors and other farm equipment comprising 93,044 units.

Due to the robust increase in vehicle sales, the company managed to beat a Bloomberg revenue estimate of ₹12,931.7 crore, but net profit was well short of the estimated ₹1,202.2

crore, even before deduction of the impairment.

Operating profit, or earnings before interest, tax, depreciation and amortization (Ebitda), during the quarter jumped by 60% to ₹1,960 crore on the

back of a robust increase in the top line and cost-cutting measures adopted by the company. Operating margins, however, declined by 225 basis points to 14.7% due to higher raw material costs due to the sustained increase in commodity prices.

Growth in the fourth quarter was aided by the low base of the corresponding period of last year, when sales declined sub-

stantially amid a slowing economy, transition to BS-VI norms, production disruption due to shortage of parts from China and lockdown restrictions imposed in India in the second half of March 2020.

High commodity costs and shortage of components, such as semiconductors, may derail the recovery. Besides, the second wave of covid could hit M&M's business going forward.

According to Rajesh Jejurikar, executive director, auto and farm sector, M&M, based on dealer feedback, the company is expecting demand for tractors to rebound from June with gradual easing of lockdown measures across states in view of the steep decline in covid-19 cases.

"In auto, we might have to wait for a month or two before demand comes back. Our conviction is that we will witness a strong comeback of demand once the economy opens up," said Jejurikar. "The semiconductor issue has impacted certain models. The supply side issues are expected to continue with the localized lockdowns. The company's Maharashtra-based plants are coming back to normal levels."

Besides the second wave, high commodity costs and shortage of components may derail M&M's recovery

Int'l flight ban now till 30 June

Rhik Kundu
rhik.k@livemint.com
NEW DELHI

The ban on international commercial flights has been extended till 30 June, the Directorate General of Civil Aviation (DGCA) said on Friday. The ban, imposed in March 2020, was to end on 31 May.

Dedicated cargo flights and flights under bilateral air bubble pacts with select countries will continue to operate.

A bilateral air bubble is a mechanism to resume flights between India and other nations with preconditions during the pandemic.

India currently has such arrangements with 28 countries, including Afghanistan, Bahrain, Bangladesh, Bhutan, Canada, Ethiopia, France, Germany, Iraq and Japan.

Despite the bubble, several

countries in April banned or imposed restrictions on flights from and to India due to the recent surge in covid-19 infections in the country. They include Australia, Bangladesh, Canada, France, Germany, Hong Kong, Indonesia, Iran, Italy, Kuwait, New Zealand, Oman, Saudi Arabia, Singapore, and UAE.

However, some of these countries have since lifted such travel restrictions.

NOTICE
(Compulsory Transfer of equity shares of the Company to Investor Education and Protection Fund)
NOTICE is hereby given pursuant to Section 124 of the Companies Act, 2013 ("the Act") read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended from time to time ("the Rules") and other applicable provisions of the Act, if any, that the Company will credit the shares in respect of which dividend has remained unclaimed for seven (7) consecutive years to the DEMAT Account of the Investor Education and Protection Fund Authority ("IEPF"). In view of inadequate availability of few services like printing, dispatching etc. due to resurgence of COVID-19, the Company has sent reminder letters on the registered email addresses of the shareholders available with the Company and is in the process of dispatching reminder letters to each of the shareholder(s) at their latest available address who have yet not claimed the dividend from the financial year 2013-14 onwards to claim the same on or before Tuesday, 31 August 2021. Further, the list containing the details of such shareholders including their names, folio number or DP ID, Client ID and the number of share(s) due for transfer are available on the website of the Company i.e. www.ge.com/in/ge-power-india-limited. Shareholder(s) are requested to verify the details of their share(s) liable to be transferred to the IEPF from the aforesaid list.

In the event, no communication is received from such shareholders by Tuesday, 31 August 2021, the Company will transfer the shares to the DEMAT Account of IEPF in compliance with the Rules. The concerned shareholder(s), holding shares in physical form and whose shares are liable to be transferred may note that the Company would be issuing duplicate share certificate(s) held by them for the purpose of transfer of shares to DEMAT Account of IEPF as per the Rules and upon such issue, the original share certificate(s) which stand registered in their name will stand automatically cancelled and be deemed non-negotiable. Shareholder(s) may further note that the details uploaded by the Company on its website shall be deemed adequate notice in respect of issue of the Duplicate Share Certificate(s) by the Company for the purpose of transfer of physical shares to IEPF. Shareholder(s) can claim back from the IEPF Authority the share(s) so transferred as well as unclaimed dividends and corporate benefits accruing on such shares, if any, by following the prescribed procedure in the Rules. No claim shall lie against the Company with respect to the unclaimed dividends and share(s) transferred to the IEPF pursuant to the Rules. In case shareholder(s) have any query on the subject matter and the Rules, they may contact KFin Technologies Private Limited, Company's Registrars & Share Transfer Agent at Selenium Tower B, Plot 31-32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032 at 040 67162222 or write an email at einward.ris@kfintech.com For GE Power India Limited
