Dear Sirs,

**Sub : Update**

We write with reference to our earlier update dated 30 April 2021, wherein we informed that in relation to short term, non-exclusive contracts/purchase orders for global engineering services with other companies in the GE Grid Solutions division outside India, the Company was formally notified that with effect from 30 June 2021 no new contracts/purchase orders will be issued to the Company in relation to those services and existing contracts/purchase orders will lapse at their expiry date or be terminated by notice. Subsequently on 30 June 2021, the Company had informed the Stock Exchanges that GE Grid Solutions has extended the aforesaid termination date to July 31, 2021.

On request of the management, GE Grid Solutions has vide its communication dated 30 July 2021 further extended the date of termination to 31 August 2021.

The management continues to explore options to minimize the impact of such termination on the Company.

This is for information of the exchange and the members.

Thanking You,

Yours faithfully,  
for GE T&D India Limited

Manoj Prasad Singh
