## Upgrade APM Now from V4.3.1.0.0 to V4.3.1.0.1

To facilitate the APM Now upgrade from version 4.3.1.0.0 to 4.3.1.0.1, you must complete the following upgrade steps for select modules.

Module	Steps completed by GE Digital	Steps completed by customer
<a href="#">APM Connect</a>	GE Digital APM Services uses deployment instructions that do not appear in the end-user documentation.	GE Digital APM Services uses deployment instructions that do not appear in the end-user documentation.  If you are using EAM adapters, please contact Support for assistance.
<a href="#">Asset Health Manager (AHM)</a>	Steps 1 through 4	Step 5 (optional)
<a href="#">Inspection Management</a>	Step 1  <b>Note:</b> This step requires customer input.	Steps 1 and 2  <b>Note:</b> GE Digital executes Step 1 but requires customer input.
<a href="#">Installation/Deployment</a>	<ul style="list-style-type: none"> <li>All Migration Core upgrade steps</li> <li>Upgrade GE Digital APM to V4.3.1.0.1</li> <li>Upgrade or Update the GE Digital APM Server and Add-Ons to V4.3.1.0.1</li> <li>Upgrade the GE Digital APM Adapter for SSRS to GE Digital APM</li> <li>Upgrade the GE Digital APM Database to V4.3.1.0.1</li> </ul> <p><b>Note:</b> In APM Now, DIDB is used to upgrade the database and not the regular manual upgrade process.</p>	None  <b>Note:</b> See APM Mobile Application for deployment instructions.
<a href="#">Policy Designer</a>	<ul style="list-style-type: none"> <li>Step 2</li> <li>Steps 4 through 11</li> <li>Step 13 (see notes)</li> </ul> <p><b>Note:</b></p> <ul style="list-style-type: none"> <li>Steps 1 and 12 are not applicable to APM Now.</li> <li>In Step 13, depending on the content of the logs, the customer may be required to execute additional steps. GE Digital will notify the customer of any policies where the schedule may have been upgraded with a blank Next Execution Date.</li> </ul>	<ul style="list-style-type: none"> <li>Step 3 (optional)</li> <li>Step 13 (if applicable)</li> </ul> <p><b>Note:</b> GE Digital will review the upgrade logs for the customer and determine if any action needs to be taken. If GE Digital determines that there are policies where the schedule has been upgraded with a blank Next Execution Date, the customer must reset the schedules.</p>
