

THE LIFE SAVING RULES

WORK AT HEIGHT

Assess, prevent and protect against falls from height

- I confirm scaffolds, personnel lifts, platforms and ladders are inspected, and barriers and guardrails are in place
- I verify an exclusion zone is established
- I inspect my personal fall protection equipment and confirm rescue plan
- I maintain 100% tie off to approved anchor point while outside protective barriers
- I secure tools and materials to prevent dropped objects

WE START WORK **ONLY** WHEN IT'S SAFE, AND **STOP** WHEN IT'S NOT.
